THE STOTONIAN

Presented by

The Class of 1957

STOUGHTON HIGH SCHOOL

Stoughton, Massachusetts

PROLOGUE

Our program is coming to a close, each member of this orchestra is putting away his music and placing his instrument in the case for the last time. We have worked and played together for a long time, and we have come a great way from the first time we joined hands six years ago. Young and somewhat shaky on our new horns, violins, and drums, we sat down together hoping someday to be able to produce a harmony and grandeur that would make people stop and listen!

Through the years we learned to keep our instruments in tune, to play softly or loudly as the music demanded, and to keep our eyes on the conductor. Before we knew it, the music began to sound maturely interpreted and had a clearness that rang true nearly every time. Each member was learning what it was to be a part of the whole. The drums learned to respect the sweetness of the violins and the horns soon were sensitive to even the slightest trill of the flutes. One could clearly see the fame of this orchestra would not fade easily!

As we leave Stoughton High School which has so graciously housed us, and the faculty who have kindly guided and arranged our pieces, we take with us an inner strength that can come only from having worked and learned together. Many of us will find ourselves joining more professional and larger orchestras in the years to come. We will learn to adapt ourselves to them too. It will not be easy becoming a new member and learning to play more difficult music any more than it was six years ago. But there is a grave difference. We know how to sit in that chair, humble and shaky. We know that by working hard and putting our hearts into it, we can become a successful part of any orchestra we choose.

Before our student orchestra disbands we wish to present to you our Grand Finale—
The 1957 Sto-tonian.

DEDICATION

Gerard P. Antonellis

Deep within each of us we will find a bit of blithe spirit; and so we feel it fitting to dedicate our 1957 Sto-tonian to the personification of this spirit in our midst.

For your merry-hearted, unassuming manner; for your congenial and good-natured assistance; and most of all, for the great capacity within you to give us so much pleasure and satisfaction continually through the years, we extend to you, Mr. Antonellis, our unstinted praise with both fondness and gratitude.

ADMINISTRATION

SCHOOL COMMITTEE — Left to Right: Edmund L. Daley, Joseph H. Gibbons, Superintendent; Robert J. Buckley, Secretary; Appleton C. Woodward, M.D., Chairman; David M. Benjamin, A. Leonard Anderson.

In these days of critical comparisons, a great deal is heard about the values of different kinds of education. You have received here the typical education, which teaches the students how to evaluate knowledge, rather than to amass large stores of knowledge itself. We hope you have acquired the ability to think, to appraise without bias, prejudice or selfishness, and to follow the highest principle for the just conclusion of your actions.

The School Committee wishes you well in all your future activities, with the firm belief that you will grow with your liberal education to develop a just critical thought.

A. C. WOODWARD, M. D.
Chairman
Stoughton School Committee

Aaron Fink
Principal

To the Class of '57 go my personal wishes for a rich and fruitful life. May each of you have the power to examine critically the issues which confront us as human beings and fight for that which represents truth.

In the years which have passed you have been cautioned repeatedly to "be sure you are right and then go ahead." Though I, too, would encourage you always to find the right way, it is my sincere hope that in the quest for right you do not fear to be wrong. One may question seriously whether there ever has been a new invention or a creative idea produced by a man who feared to err.

Best wishes always!

AARON FINK
Principal

To the Class of 1957:

As your public school education comes to an end, it places upon you personally the responsibility of self-education. This may be either formal by attendance at other institutions or informal by using the tools which have been provided you during your schooling to date. In our present world this responsibility is not only desirable but necessary if you are to be a good citizen of our democratic society.

Your graduation from high school provides a time for you to ponder deeply as to how you have used the gifts, opportunities, talents and other endowments given you. Political democracy guarantees to men the right to participate in their government, the right to a hearing before the law, and equality in similar things. The political idea that all men are equal has been carried over to apply to any and all fields. The originators of the political doctrines of equality never intended this. Men are not equal in natural endowment of brains, in physical strength, in health, or any innate characteristic. Abilities, contributions, and rewards will differ between individuals. Men are guaranteed equality as citizens before the law. Legislative enactment cannot make them equal in other ways. The responsibility of proper use is individual and I would urge your most serious and thoughtful consideration of this point. Each individual is to contribute to the group life and to be respected for that contribution. Your political rights within our democracy are guaranteed legally. As future citizens you individually must assume freely your obligations and responsibilities.

I congratulate you on your attainments and I extend my best wishes to all of you in the year ahead. Feel free to call on us if you think that we can render further service. We hope that we have contributed towards enabling you to take your proper place in society and that you leave us now realizing the importance of the concept of the worth of individual human beings and the necessity of respect for the personality of others.

JOSEPH H. GIBBONS
Supt. of Schools

Joseph H. Gibbons
Superintendent

Congratulations and best wishes to the Class of 1957. Your achievement of graduation from Stoughton High School proves to you and the community your ability to develop a long range objective and follow through to its final completion. This quality of perseverance will insure a measure of success to your future endeavors.

Albert C. Williamson
Director of Guidance

To the Class of 1957:

As you take your rightful place on the evergrowing list of Stoughton High School graduates, and as you step forward into a new and more complicated phase of citizenship and individual responsibility, it is fitting and proper that you take personal inventory at this time.

Have you gained as much from your years in school as you could have? Are you the kind of person that you want to be at this stage of development?

Whether you plan to continue your formal education or not, your responsibilities seem to be clear. You must continue to strive toward greater knowledge, greater skill, healthier interests, more wholesome attitudes, and a greater capacity for more complete living.

It is only in this way that you will be able to maintain your position as a useful citizen and a worthy representative of Stoughton High School.

Best wishes for success and happiness.

ROBERT JOHN SCOTT

CLASS SONG

How we cheered our football players;
We'll remember games we won.
Our Junior Prom was so delightful;
Oh, so much fun.

Our class rings so bright and shiny
Made our eyes shine brighter still.
We cherish ev'ry little pleasure,
And always will.

Now all the world should know, as spaghetti suppers go,
Our Supper was successful, we agree,
The New York trip was grand; it made us understand
How wonderful our teacher-friends can be.

As we leave (old Stoughton H. S.)
And we bid farewell today—
Our faith in God will never fail to
Show us the way.

(To the tune of "The Halls of Ivy")

VARSITY FOOTBALL

The Black Knight gridmen, under the expert coaching of Coach Albert Twomey, experienced one of their best seasons, which will remain in our minds whenever we remember cheering on our football team of 1957. Led by Captain Danny Sullivan the team showed the real fighting spirit with its full share of thrills and only one disappointment.

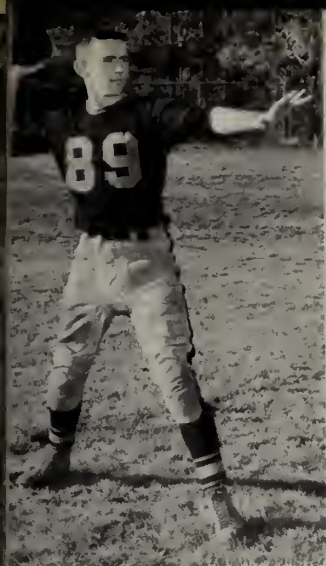

As our season rolled into full swing after a month of hard fall practice, we found ourselves on the road opposing the Class B team of North Quincy. After a hard fought contest, we had started our season auspiciously by tying the Red Raiders with a 6-6 tie. This was all the more remarkable, in that the team was considered very green with only four starters from last year's club and minus the entire top notch backfield.

In our next campaign, Joe Callahan had been installed as signal caller and the team wiped out Coyle, 14-6. The third game saw a second stringer, Jay Webster, at the quarterback post, against the powerful Wareham outfit, which was out for its twenty-fifth straight win. Stoughton had a new first string quarterback after a 20-7 win.

The Orange and Black then rolled over Amesbury, 33-14, Norwood, 28-13, and Walpole, 27-6. The top schoolboy battle of the season in Class C saw Stoughton edged out, 6-0, by the Class C champs of Newburyport. The boys rebounded with an easy 39-6 win over Attleboro.

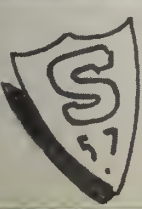

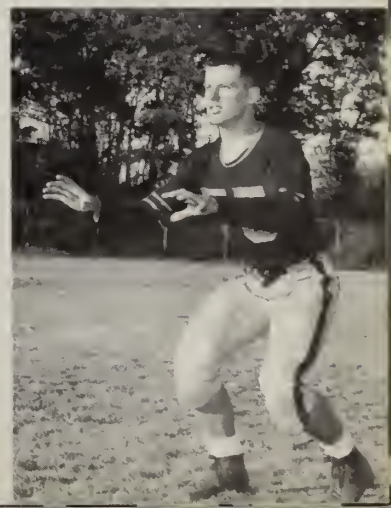

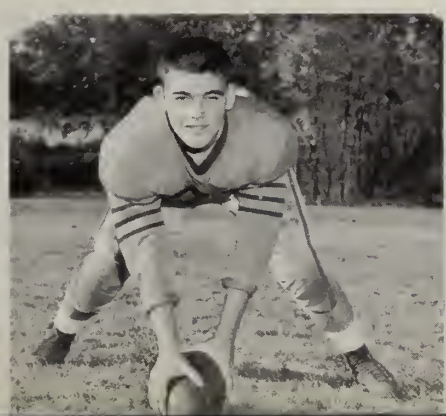

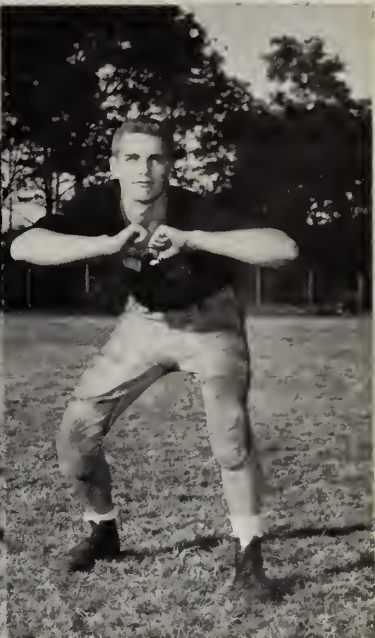

After a free week, we faced our Turkey Day rival—Canton. The game got off to a good start with the Knights scoring early in the first quarter. The gridsters ran roughshod over our perennial rivals, and a Bob Pratt touchdown gave Stoughton a lead which the Canton eleven could never overcome. The final score was Stoughton 14, Canton 6.

The senior members of the squad who deserve recognition are: Captain Dan Sullivan, Bob Jasmin, Bob Pratt, Bob Fitzpatrick, Bill Magee, George DeMone, Joe Banks, Stewie Gill, Lloyd Hickey, and Joe Callahan for their fine performances and outstanding sportsmanship.

FIELD HOCKEY

Despite some discouraging losses the girls' varsity played very hard under the coaching of Miss Joan Brooks. They tied Foxboro and Canton and after playing four games, came up with a win against Foxboro.

The Junior Varsity had a very successful season winning all their games but two, of which neither team scored.

VARSITY BASKETBALL

The 1957 S. H. S. hoopsters registered a mediocre season. Although the team was inexperienced, Coach Gerardi's team suffered from an acute lack of height, having only a couple of ballplayers who stretched over six feet. Coach Gerardi tried to offset this disadvantage by relying on the fast break; unfortunately, this proved futile against such a tall opponent as Oliver Ames.

Playing spirited basketball all season the team reached its peak just after the midway mark. Hitting their ups and downs all year, the Stoughton five played a superb brand of ball to come up with victories over Randolph, Foxboro, Hingham, and Westwood.

Seniors playing their last games for the Black Knights were: Captain Joe Callahan, Jay Farley, Lloyd Hickey, George De Mone, and Bob Lyons.

TRACK

Led by Co-captains Bill Magee and Bob Pratt, the track team opened their 1957 season with an impressive second place in the Fortieth Annual State Meet, which was held at Bosten Gardens with 1,042 athletes participating.

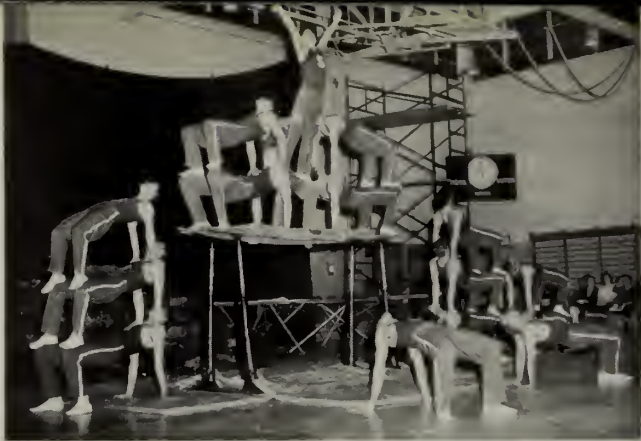

On June 2, 1956, the boys became the South Shore Track Champions. Two weeks previous they copped the Hockamock League Championship. Thus, Stoughton High won its first South Shore Championship and went through its undefeated season. Much credit goes to Coach Ed. McNerney for his brilliant coaching enabling S. H. S. to make a name for itself in the track world.

By its outstanding performances and display of sportsmanship the team will be out to repeat their undefeated record of last season.

We congratulate you, the senior trackmen, Co-captains Bill Magee and Bob Pratt, Joe Callahan, Bill Place, Dan Sullivan.

DRAMATIC CLUB

The school year 1956-57 has been an interesting one for dramatics at Stoughton High.

Planned and carried out by the club was a program which included a first fall play production, "Room For One More", a full length comedy by William Davidson. This play was presented on an early December evening and played to an appreciable audience despite inclement weather.

Another dramatic contribution was made during the "Parents and Friends Night" and the final pre-Christmas student assembly given under joint auspices of the music and drama groups. The Dramatic Club's contribution consisted of a one act play "A Touch of Lilac" by Lydia Nagel and numbers by the Dramatic Club Verse Choir.

Following this "Christmas Festival", dramatic club members looked forward to February 7, 1957 as an auspicious date for the Dramatic Club of Stoughton High! On that date, twelve dramatic club members were initiated as charter members of The National Thespian Society and proudly presented "Troupe 1675" to our school.

Added to our club's list of activities have been visits to play performances by college groups and a visit to a television show "in the making."

We are proud of our officers too. Verna Borgeson as president, Katharine Curry as vice-president and Irene Perdigao as secretary have the double responsibility of being officers of "Troupe 1675" and of the S. H. S. Dramatic Club and they have shown the spirit of real troupers in their positions.

Approximately 45 students working under the di-

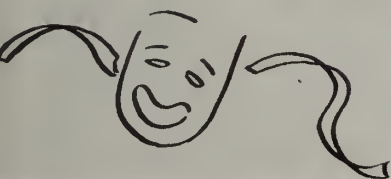

rection of Mr. Pitts, a school English instructor, comprise our club membership in what has been a fruitful year for us at Stoughton High.

On Thursday evening, February 7, 1957, twelve students members of the school's were found bringing another "first" to Stoughton High. In a beautiful charter ceremony that was enhanced in value by the presence of the New England Director and members of her enthusiastic troupe, another high school group became a member of the National Thespian Society. This time it was the Stoughton High School group which became the eighteenth state high school unit to be given a Thespian Troupe number.

The National Thespian Society is an organization devoted to the advancement of Dramatic Arts in the secondary schools. Over a thousand of its "troupes" are to be found in many high schools in this country and abroad. For those within its bonds the Society offers both inspiration and encouragement in the realm of dramatics. Stoughton students are happy to become affiliated!

Charter members of the school's Thespian unit, Troupe 1675, are seniors, Verna Borgeson, Katharine Curry, Doris Kazlouski, Dorothy Ann Oslin, Mary Irene Perdigao; juniors, Alfred Frizelle, and sophomores, Davida Carvin, Carolyn Coi, Barbara Feldman, Margaret Nicholas, Ruth Ann Parent, and Wayne Ribinson.

At Stoughton High, our troupe functions as the heart of the Dramatic Club and Thespian membership becomes a goal of all Dramatic Club members.
